

In the Supreme Court of the State of Alaska

Terrace L. Solomon,
Appellant,

v.

Wendy Solomon,
Appellee.

Supreme Court No. S-17476

Order

Date of Order: **April 3, 2020**

Trial Court Case No. **3AN-15-04521CI**

Appellant, Terrace Solomon, files a third request for extension of time to file his opening appellate brief. The motion is opposed. Although the appellee makes reasonable arguments, the court will **GRANT** this motion, **BUT NO FURTHER EXTENSIONS WILL BE GRANTED** absent extraordinary circumstances, which do not include any of the reasons given in support of this third extension request.

With this extension, appellant will have received a total of 100 days of extension. It would be unjust to the appellee to allow appellant any additional extensions.

Pursuant to the Appellate Courts' March 27, 2020 Administrative Order, the appellant's opening brief is now due on or before **May 1, 2020**. **This case will be dismissed for lack of prosecution if the appellant does not file his opening brief by this deadline.**

Entered at the direction of an individual justice.
